

PRINCESS PATTERN

A daily guide to cruise activities 

ACAPULCO • MONDAY, SEPTEMBER 19, 2005 • SUN PRINCESS
Sunrise 7:28am • Sunset 7:38pm • Tonight's Dress: Smart Casual

Welcome to Acapulco

Acapulco's blue waters, rugged headlands and picture-perfect sunsets, welcome an average of 3.5 million pleasure seekers each year. With 38 beaches, some among the most beautiful in the world, Acapulco's beach scene is lively and offers an array of aquatic sports from scuba diving to

parasailing. An attraction famous around the world is the La Quebrada cliff divers. These divers risk their lives as they leap from the top of the 130-foot high rock formations.

Spotlight on...Photo Department

Princess Cruises was the first cruise line to fully digitize its onboard Photo Department and now we are one of the most technologically advanced afloat. This means we capture 100% of our images digitally using the latest Nikon SLR digital cameras.

Our photo-lab features two highly sophisticated Konica R1 printers, capable of printing to the highest standards from both digital media and 35mm negatives. Not only has this enhanced the service we can provide onboard, but using this technology means we use far less chemicals, which is good for the environment. The photo computer network is capable of storing images from the entire cruise as well as storing passenger's personal photos.

The Photo Gallery, located on Deck 7, has a full range of photographic supplies, including the latest in digital cameras for anyone who wishes to make the switch from conventional film.

Stop by the gallery at anytime and one of our photographers will be happy to answer any questions you may have.

FROM THE NAVIGATOR

We embarked our pilot at approximately 6:45am this morning and altered onto a northerly course into Acapulco Bay. Shortly afterwards we rounded "Punta Grifo" and "Isla Roqueta" on our port side as we entered Santa Lucia Bay where we expect to drop our anchor at approximately 8:00am and commence our tender service ashore. We will weigh anchor around 5:00pm and manoeuvre out into the bay. We will embark on the next leg of our voyage clear of Acapulco Bay on a south-southwesterly course back into the Pacific Ocean. Once out into the Pacific, we will alter course and head east southeasterly to parallel the Mexican coastline.

BOATING OPERATIONS IN ACAPULCO

SAFETY IN THE TENDERS:

Today we will be taking you ashore using the ship's tenders. For your own safety please read the Tender Safety Notice at the head of the gangway and familiarize yourself with the contents of the Emergency Instructions Notice posted in the cab of each tender. You are reminded that there must be No Smoking whilst in the tenders and that to avoid risk of injury, you must keep your hands and arms off the side of the tender as it comes alongside the ship or wharf. It is important that you follow the instructions given by the crew members and that you remain seated whilst in the tenders. Do not get in or out of the tenders until instructed to do so by the ship's staff.

TENDER TICKETS FOR OUR INDEPENDENT PASSENGERS

To avoid overcrowding at the tender embarkation area and to avoid discomfort standing in line waiting for a tender to take you ashore, we will be operating a tender ticket system after our arrival in Acapulco.

When you and/or your entire party are ready to go ashore please proceed to the Marquis Dining Room, Deck 5 where you will be issued with a tender ticket - one per person. Cruise Staff will then escort you to the tender embarkation area as they become available.

Please note at the peak operating time delays may be experienced and we ask for your patience and cooperation at these times.

TENDER TICKETS WILL BE AVAILABLE FROM 8:00am.

The ride from ship to shore takes approximately 10 minutes.

THE LAST TENDER FROM THE SHORE WILL LEAVE AT 4:30PM

We kindly ask that you do not bring on board any parcels from unknown people. You may also be asked to open parcels or handbags which you are carrying. We are sure you will appreciate that this security is in the best interest of all concerned. When returning to the ship you will pass through security. All hand luggage and boxes will be checked.

IMPORTANT NOTICE

When proceeding ashore in addition to your cruise card, you must also carry a formal photo ID with you (e.g. driver's license.)
