

# PRINCESS PATTERN

A daily guide to cruise activities 

AT SEA • FRIDAY, SEPTEMBER 23, 2005 • SUN PRINCESS  
Sunrise 6:49am • Sunset 6:55pm • Tonight's Dress: Smart Casual

## Protecting the Oceans & Your Health

Princess recognizes how important environmental and health concerns are to all our passengers and we are committed to setting and following the highest standards of excellence and responsibility. During the past eight years, we have invested millions of dollars in waste management technology and education so that today all vessels in our fleet meet or exceed all relevant U.S. environmental regulations. In recognition of our efforts, a leading U.S. marine conservation organization has noted that Princess has the "best waste management and program in the business." We are also leading the way with our unique and innovative Sanitation and Health Program. Through extensive public health training for every member of our shipboard crews and stringent weekly and quarterly sanitation inspections, we constantly ensure compliance with the strictest standards set by the U.S. Public Health Service inspectorate.

## Spotlight on...the Sun Princess Florists

Another enhancing quality onboard Sun Princess is our fresh-flower program. You may have seen Jojo and Shantal, our two full-time Florists at work around the ship, creating and freshening floral displays and tending to the many hundreds of plants aboard. Each cruise, fresh flowers are delivered and are then carefully kept in a purpose-built cold room, ready for use by the Florists. In addition to the displays in the public areas, the Florists also produce beautiful arrangements to order for your stateroom or for those special occasions. Jojo and Shantal will be available this evening 4:00pm to 7:00pm in the forward foyer, deck 5 to help you decide on anything from a single, delicate, long stemmed red rose to a beautiful orchid bouquet!

### Captain's Circle Membership Enquiries Desk

9:00am to Noon — If you have cruised with Princess before? Do you have your cruise pin. If not, be sure to see Pamela your Captain's Circle Hostess on deck 5 in the Atrium.

### Personal Choice Dining Marquis Dining Room, Deck 5

 If you wish to dine at an exact time, or with a group of friends, please call our Dining Hot Line, extension 3463, between the hours of 8:00am and 5:30pm to make a reservation. Reservations are held for 15 minutes only.

## FROM THE NAVIGATOR

During the morning we will maintain a southerly course along the south coast of Costa Rica. This afternoon Sun Princess will alter course to an easterly heading passing 12 Nautical miles south of Isla Jicanta and Isla Jicam, which lies off the coast of Panama. As the evening approaches we will set various north easterly courses to round Punta Mala and at approximately 9:00pm this evening we will enter the Gulf of Panama. We expect the Balboa Pilots and Canal Officials to board at approx. 4:20am tomorrow morning, prior to commencing our transit of the Panama Canal.

### IMPORTANT NOTICE

Please be advised that there is no reservation of deck loungers. Any personal items will be removed after 15 minutes. These items can be claimed from the Deck Lounger Locker located on Riviera Deck 12 Starboard side adjacent to the Riviera Bar.

### MEDICAL CENTRE

 The Medical Centre is situated on Deck 4, access via starboard forward elevator or stairs near Purser's Desk, Deck 5.
