A daily guide to cruise activities 

AT SEA • THURSDAY, SEPTEMBER 15, 2005 • SUN PRINCESS
Sunrise 6:36am • Sunset 6:59pm • Tonight's Dress: Formal

Let Us Entertain You!

Sun Princess boasts a star-studded cast of 25 entertainers plus 17 musicians all under the expert guidance of Cruise Director Gavin Chandler. The two separate show lounges each spotlight a different type of entertainment from the Broadway musical production style of "Curtain Up" and the cutting edge show "Tribute" in the Princess Theater, to the themed show, "C'est Magnifique" in the Vista Lounge, as well as headline Guest Entertainers. With the introduction of Personal Choice Cruising, never has so much entertainment choice been offered afloat!

Spotlight on The Future Cruise Sales

Mt. McKinley, Ayers Rock, Great Wall of China, Macchue Picchu....what do they all have in common? They are all destinations that you can visit when you take an extended land tour with Princess. Princess not only offers cruises but can also offer cruisetours. These cruisetours allow to extend your vacation and complete your escape on land. Visit our Onboard Sales Manager Leeanne who can give you information on itineraries, fares and availability as well as offering you the opportunity to book your next cruise whilst still onboard Sun Princess and take advantage of a reduced booking deposit and she will also give you valuable shipboard credits to spend on your next cruise, she will also send a confirmation to your regular travel agent back home.

Captain's Circle Membership Enquiries Desk

9:00am to Noon and 3:00pm to 4:00pm —
Our Captain's Circle Cocktail Part will held on 21st September in the Vista Lounge, Deck 7 Aft. Attendance by Invitation Only and invitations will be delivered to your cabins later on this cruise.

Renewal of Wedding Vows

Renew your vows with our Captain Ian McNaught. Passengers may now order this special celebration package onboard. Ask the Purser's Desk for details.

Used Batteries

For environmental reasons all used batteries need to be disposed of separately from other garbage. A special 'used' battery receptacle can be found for this purpose by the Photo Gallery on Deck 7 Aft Starboard Side. We thank you for your co-operation.

FROM THE NAVIGATOR

After our departure yesterday we passed Alcatraz Island and then passed under the Golden Gate Bridge. Once we disembarked our pilot we entered the Gulf of Farallones and entered the Traffic Separation Scheme taking southerly courses through the Monterey Bay Marine Sanctuary. Throughout today Sun Princess will sail on south-easterly courses along the coast of California.

TIME CHANGE

Please note that the ship's clocks will be turned FORWARD 1 hour during the night between September 15th (Thursday) and September 16th (Friday).

RESERVATIONS OF DECK CHAIRS
