

# PRINCESS PATTER

A daily guide to cruise activities 

HUATULCO • TUESDAY, SEPTEMBER 20, 2005 • SUN PRINCESS  
Sunrise 7:14am • Sunset 7:24pm • Tonight's Dress: Smart Casual

## Welcome to Huatulco

Nine bays, bordered by 36 golden-sand beaches, form the beautiful Las Bahias de Huatulco in the state of Oaxaca. Welcome to Mexico's newest resort on the Pacific Riviera. Huatulco is a tropical Eden with crystalline waters, coral reefs and uncrowded beaches. Inland, the rugged coast range is thick

carpeted with rain forest and coffee. While Huatulco is still in its early stages of development, travelers may note that the resort has a different feel from other destinations on the Mexican Riviera. That's because large areas of Huatulco have been designated as an ecological reserve.

## Spotlight on....Lotus Spa

Lotus Spa is a concept exclusive to Princess Cruises, where we combine the knowledge and history of both the East and the West. Giving you rich and exotic rituals from around the globe. We boast Aura Flotation, where we suspend you in a dry float whilst you relax in a seaweed cocoon. Exotic Asian Lotus ritual to relax and pamper you. Stones therapy to ease away your stress and tension. Sauna and steam bath are available to relax you before your treatment. A full salon is also available with a top team of stylists trained to exceptional levels of ability. A team of 16 staff was hand picked from around the world for Sun Princess, each bringing a special therapy or technique with them from sports therapy to reflexology. Don't deny yourself, take the time to visit the wonderful world of relaxation on board.

## FROM THE NAVIGATOR

After weighing anchor yesterday evening, we manoeuvred out into Acapulco Bay. Once clear of the land, an east south easterly course was set out into the Pacific Ocean. Throughout the night Sun Princess has continued east south easterly heading, paralleling the Mexican coastline. On arrival in Huatulco we will swing the ship around and go stern first into our berth. We expect to sail at 1:00pm and once clear of the harbor we will alter our course to port to put us on a heading towards Puntarenas, Costa Rica.
